## What is period poverty?

it's a lack of access to period supplies, which are necessary to function in the modern society in which we live in. This is the reality for over 500 million women around the world.

### Impacts of period poverty:

**2 IN 5 PEOPLE**
struggle to purchase period products

**ONE-THIRD**
of low-income women report missing work, school or similar events regularly due to lack of access to period supplies.

**of women**
suffer hormone imbalance with little solutions or understanding of the problem.

# Discover Divine Drops.

Through the creation and dissemination of menstrual health educational programs and sustainable products worldwide, we are shaping a new future for women and girls across the globe.
